SCROLL

An aerial photograph of the Pleasant Grove High School campus. The image shows a large, multi-winged school building with a flat roof, surrounded by parking lots filled with cars and buses. To the left of the main building is a tall, white, lattice-structured water tower with a cylindrical top. Further left is a large, circular, light-colored structure, possibly a covered walkway or a large storage tank. The campus is bordered by dense trees and a road. In the background, there are more buildings and a parking lot.

Dedication

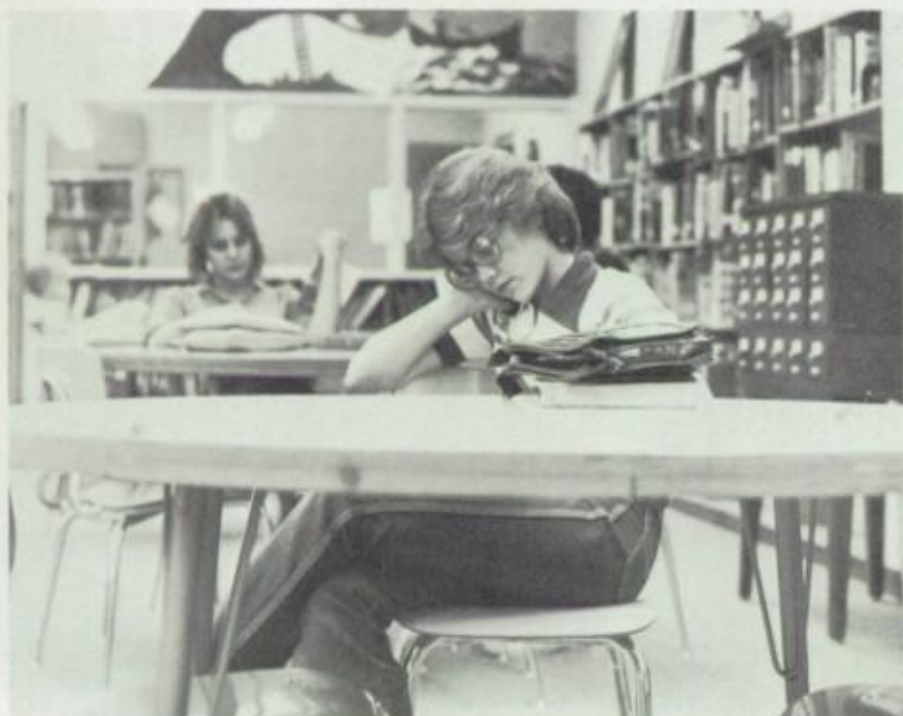

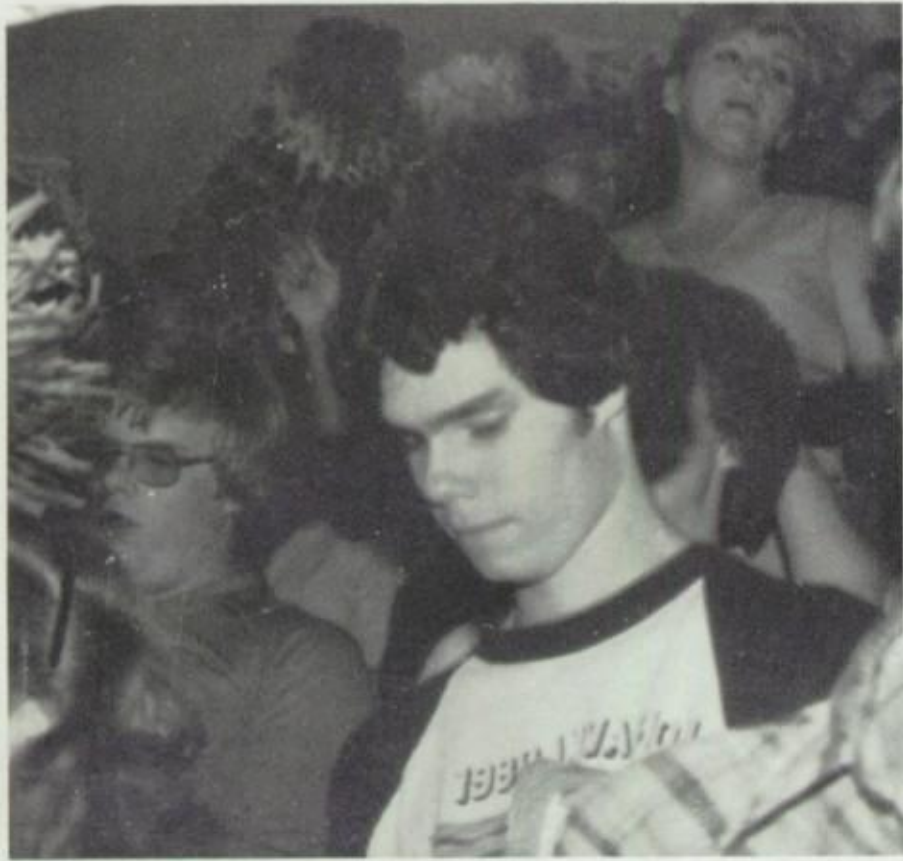

We the students and faculty of Pleasant Grove High School proudly dedicate our 1981 *Scroll* to Miss Dottie Cole, who has given much of her time and herself to us. She has worked faithfully in the classroom and has been vitally involved in many extracurricular activities. Her influence on the lives of many students will be apparent for years to come.

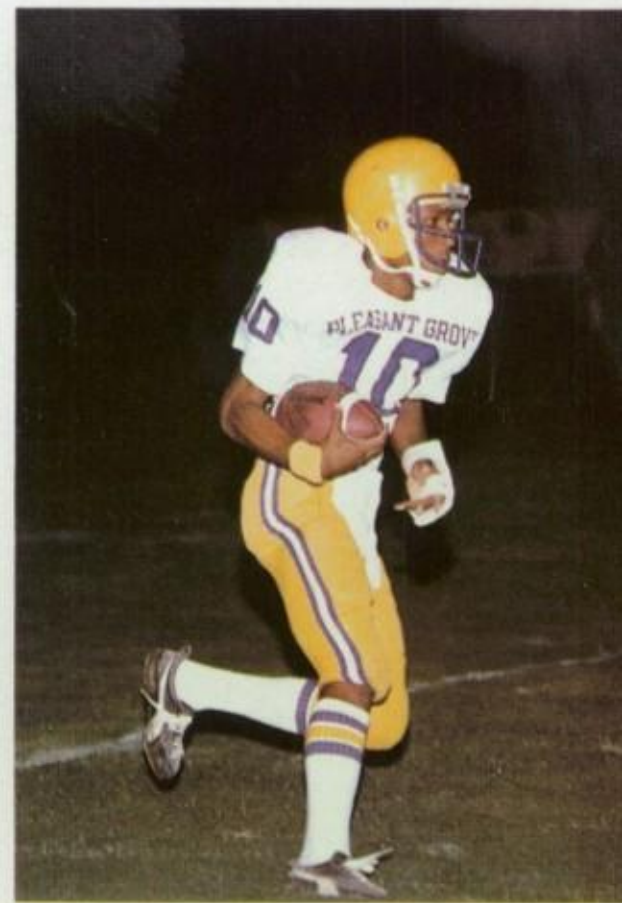

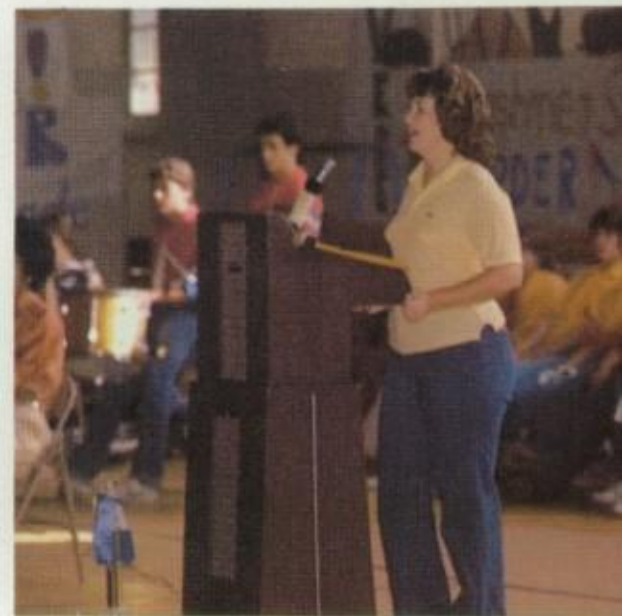

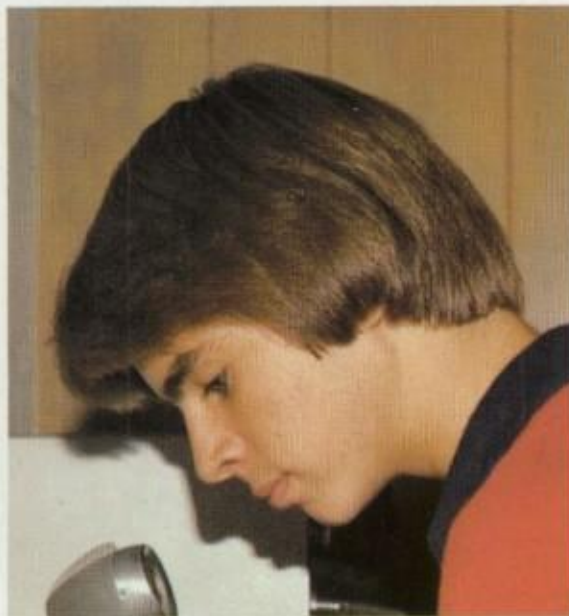

Miss Cole, you will always have a special place in our hearts.

We're living and loving it,

We've got so much more.

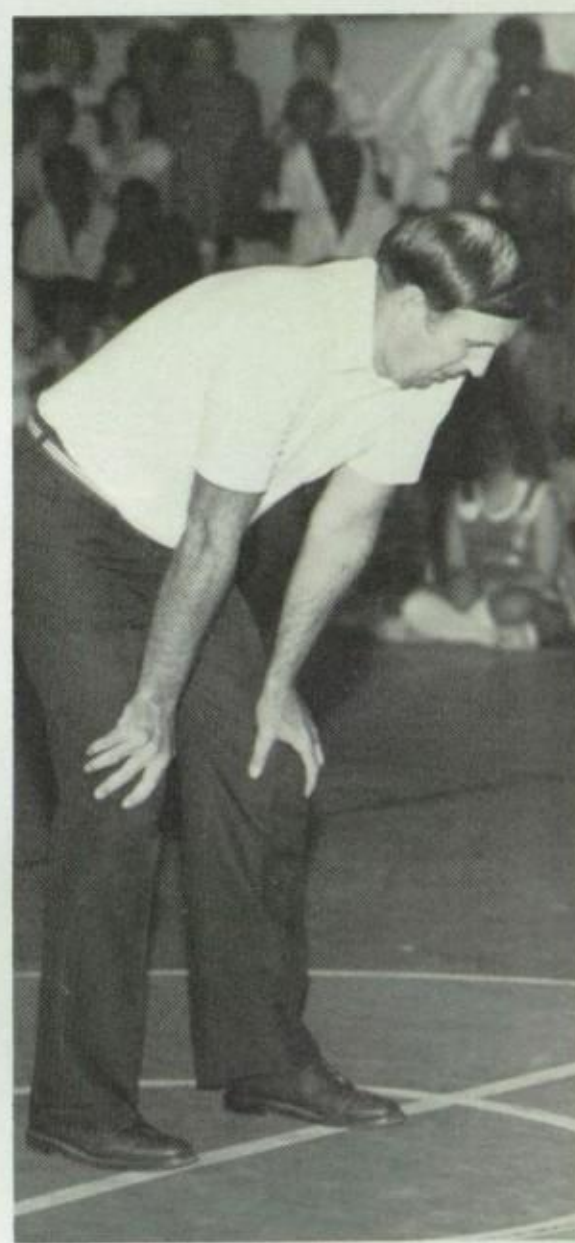

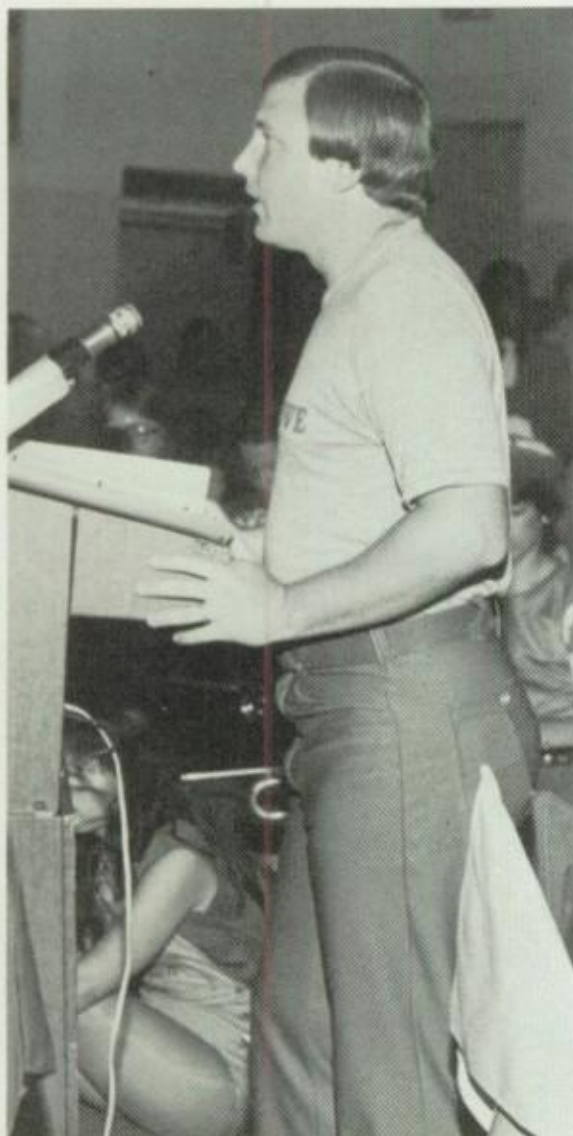

We're full of pride and spirit,

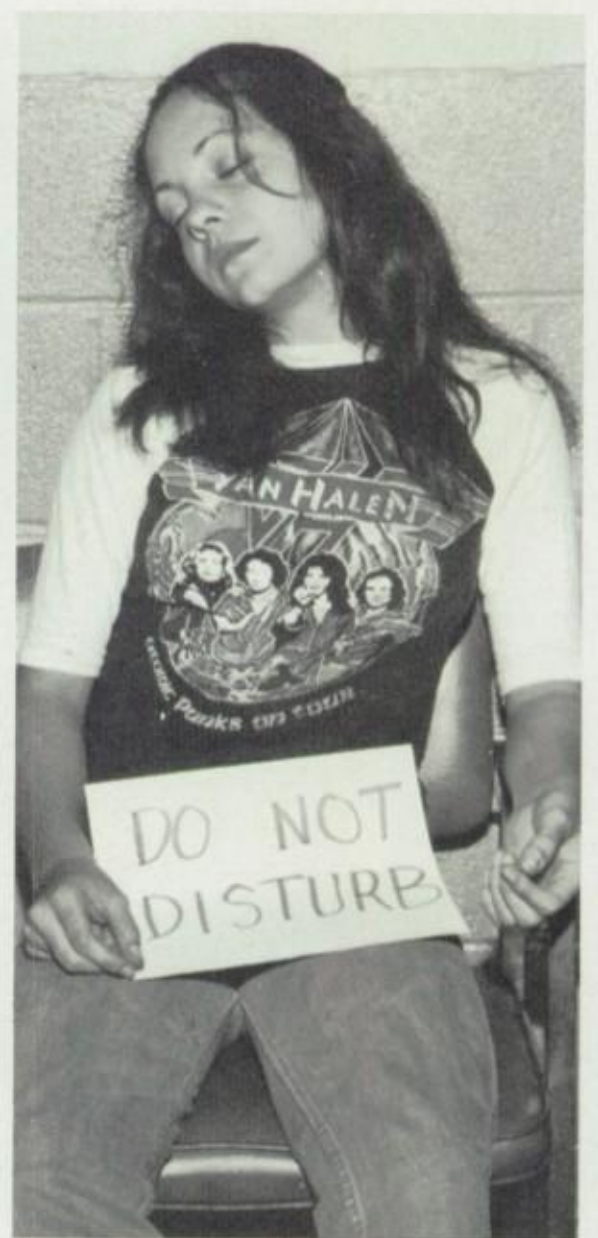

We're better than before.

Some things we've had with us

Right from the very start.

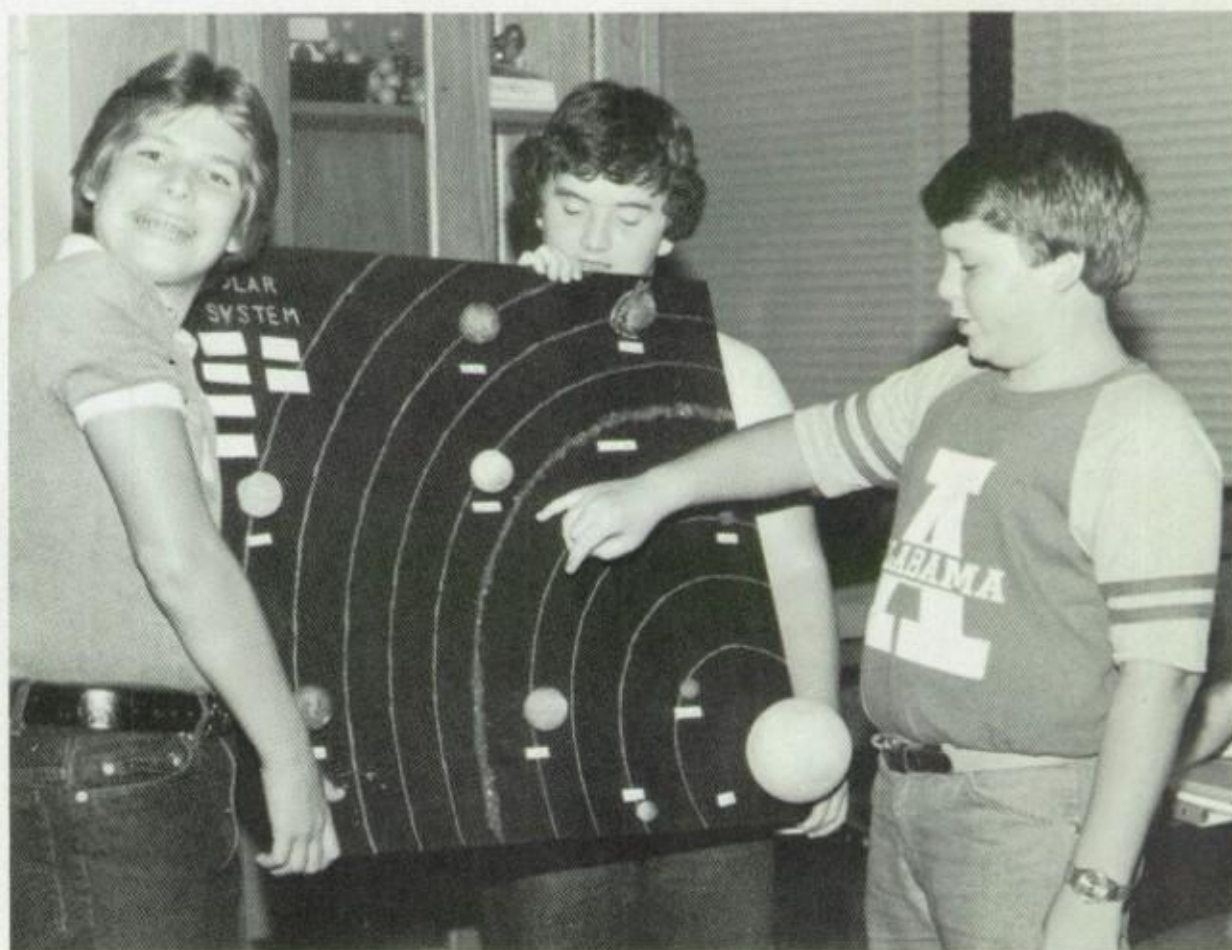

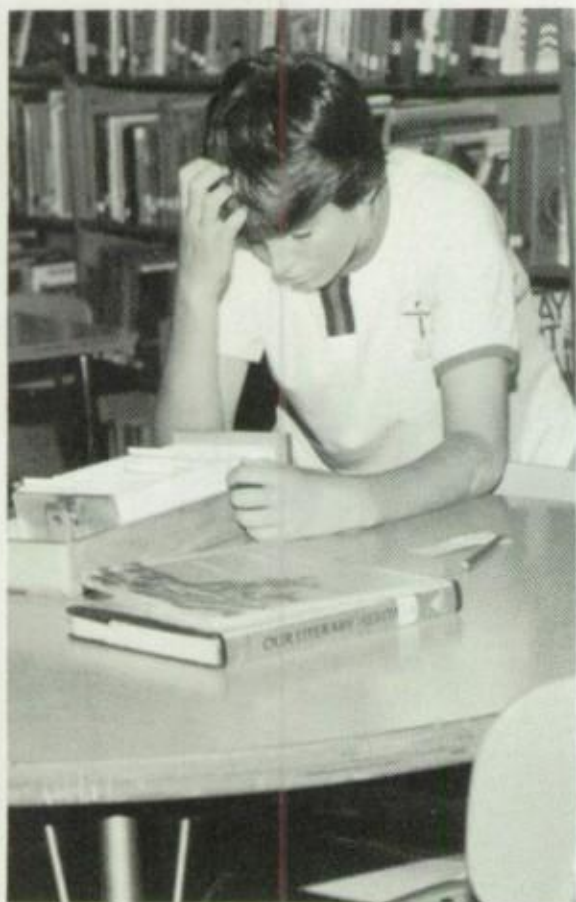

The loving and the laughter

Have always been in our hearts.

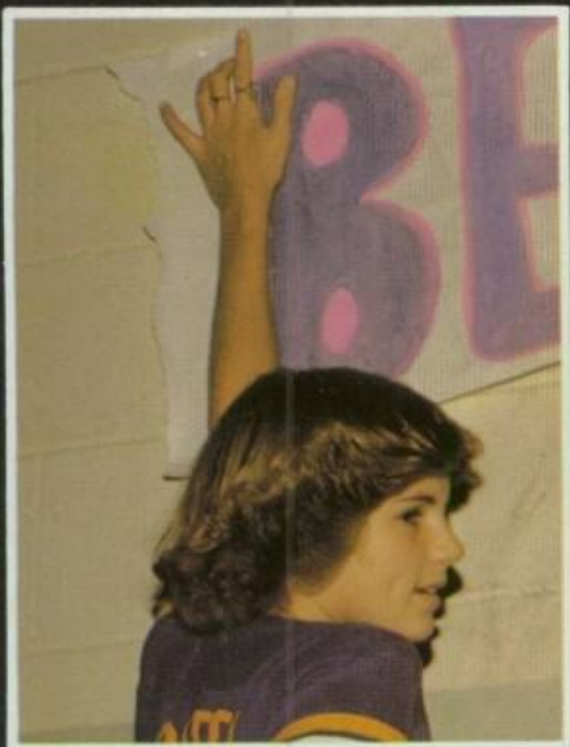

But some of the things we've had to learn

As we've walked down these halls.

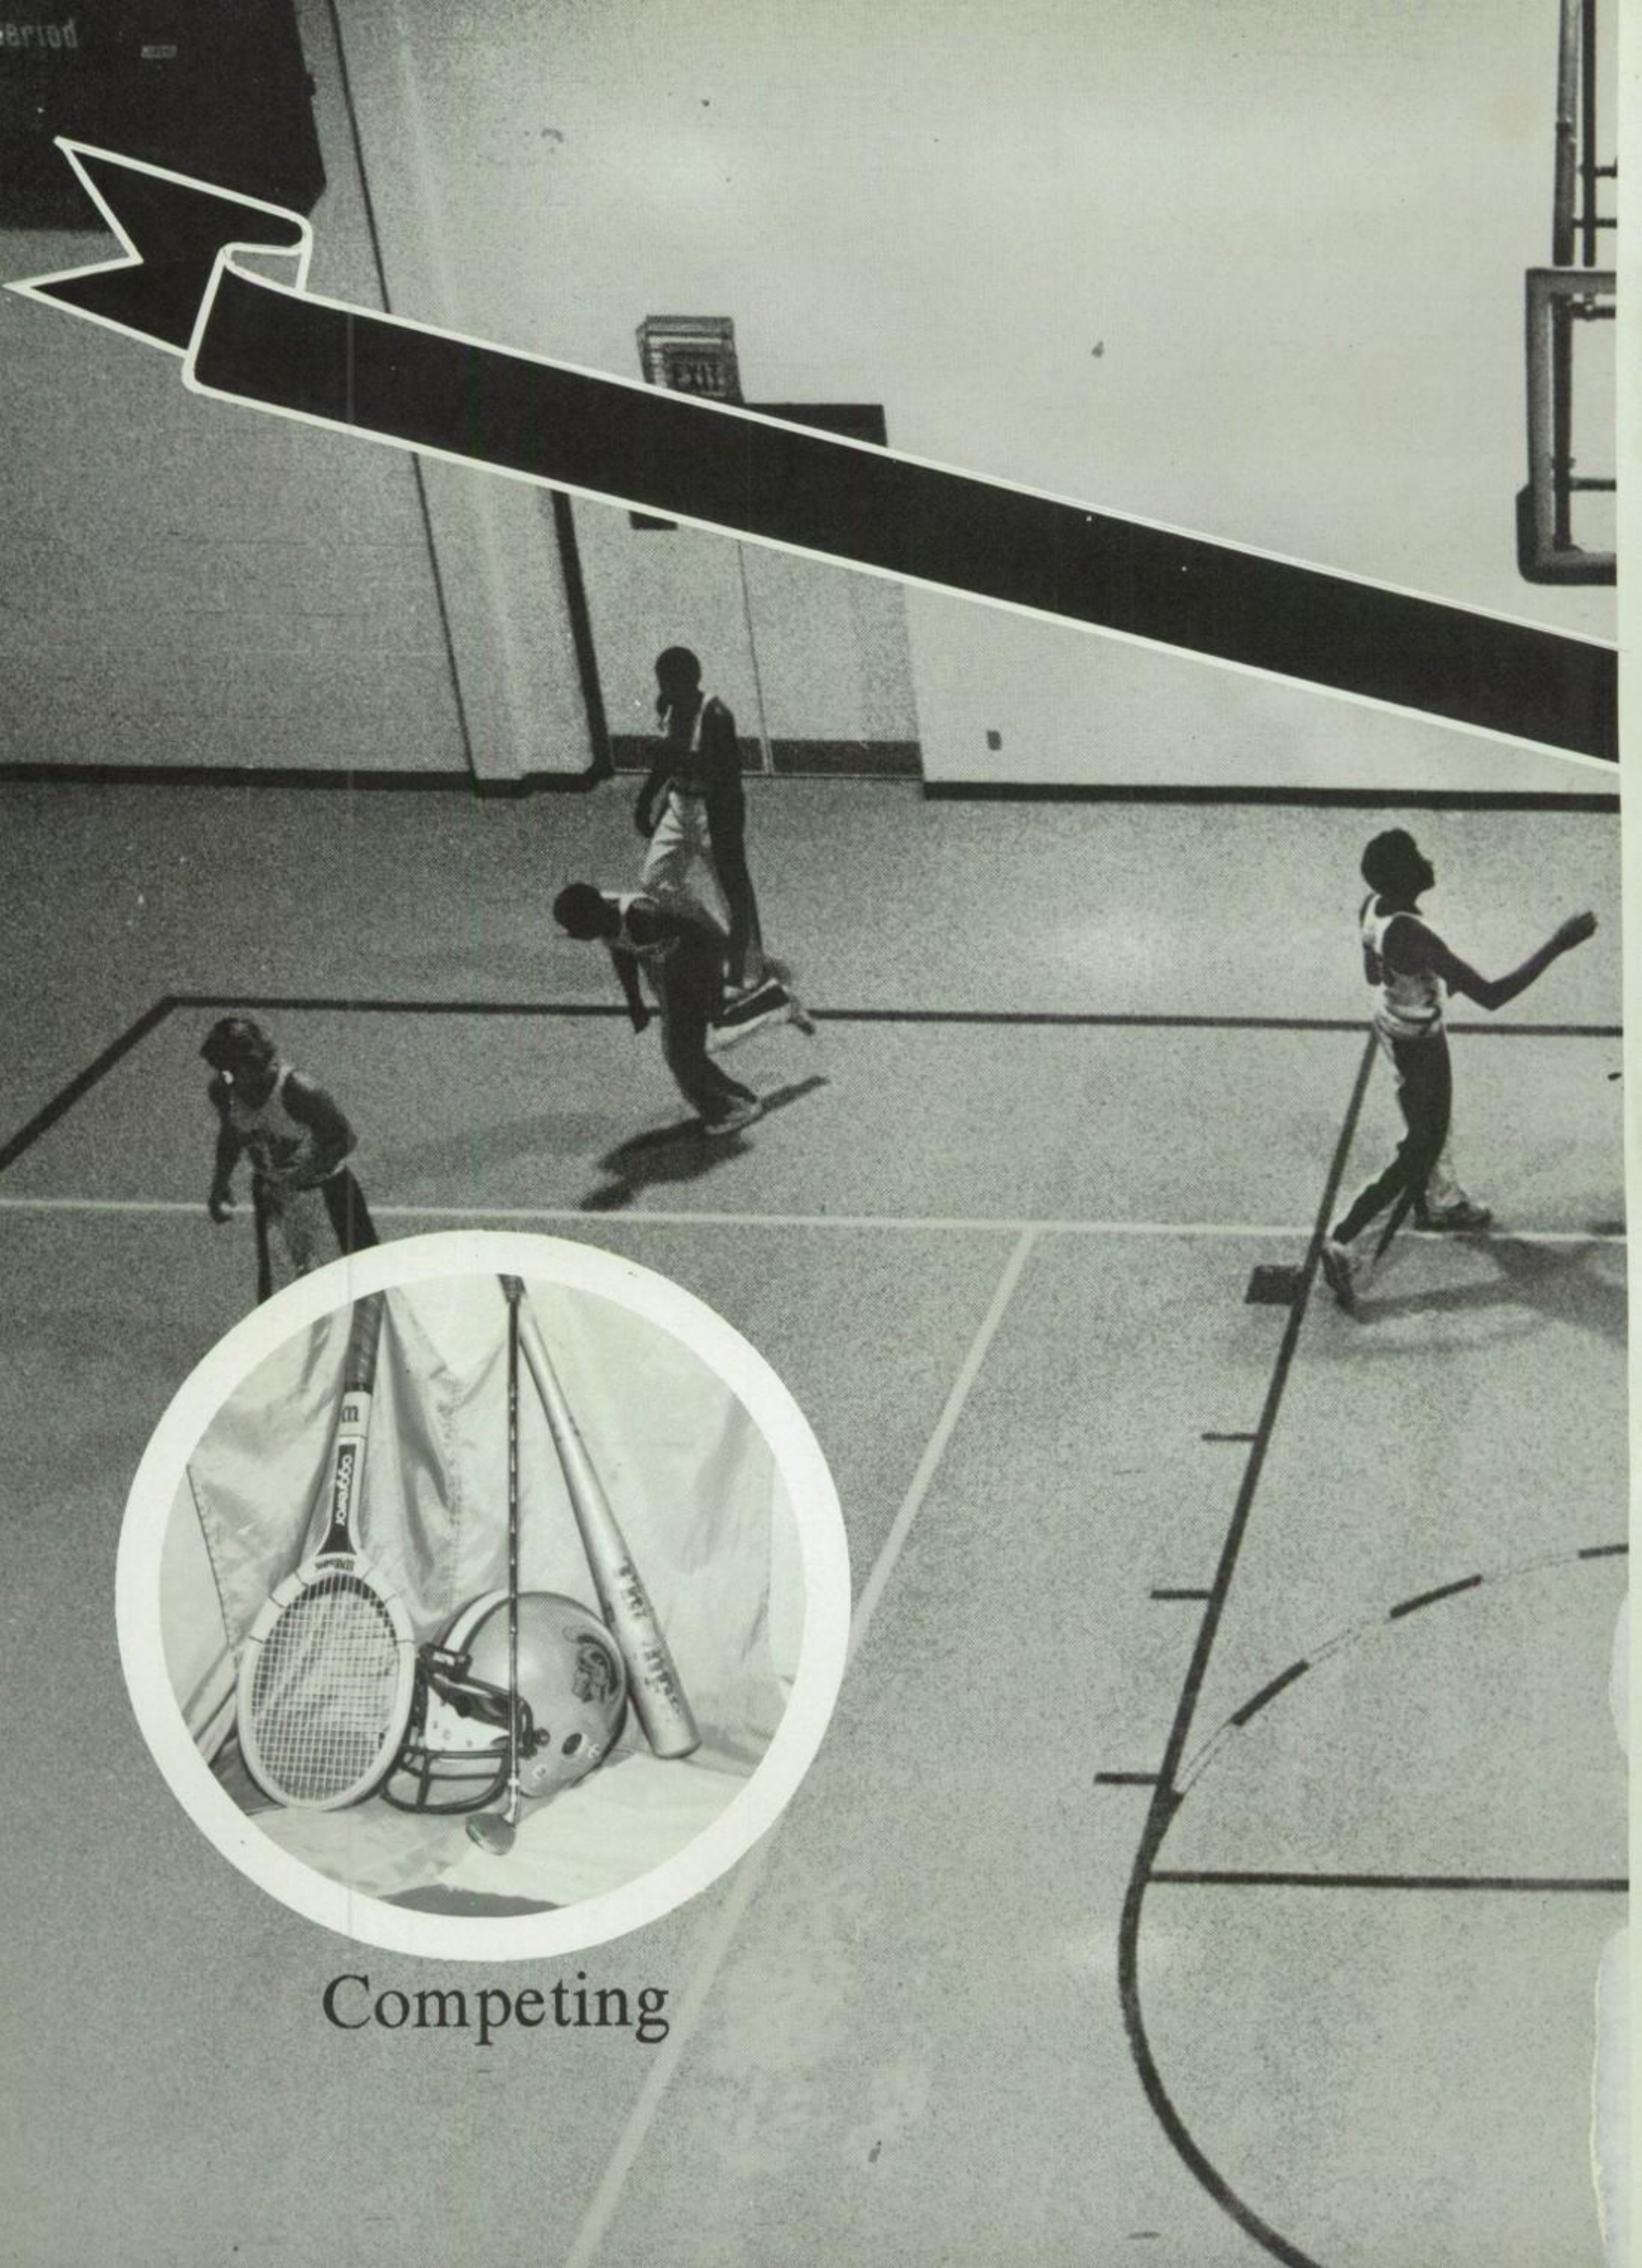

The very most important thing is —

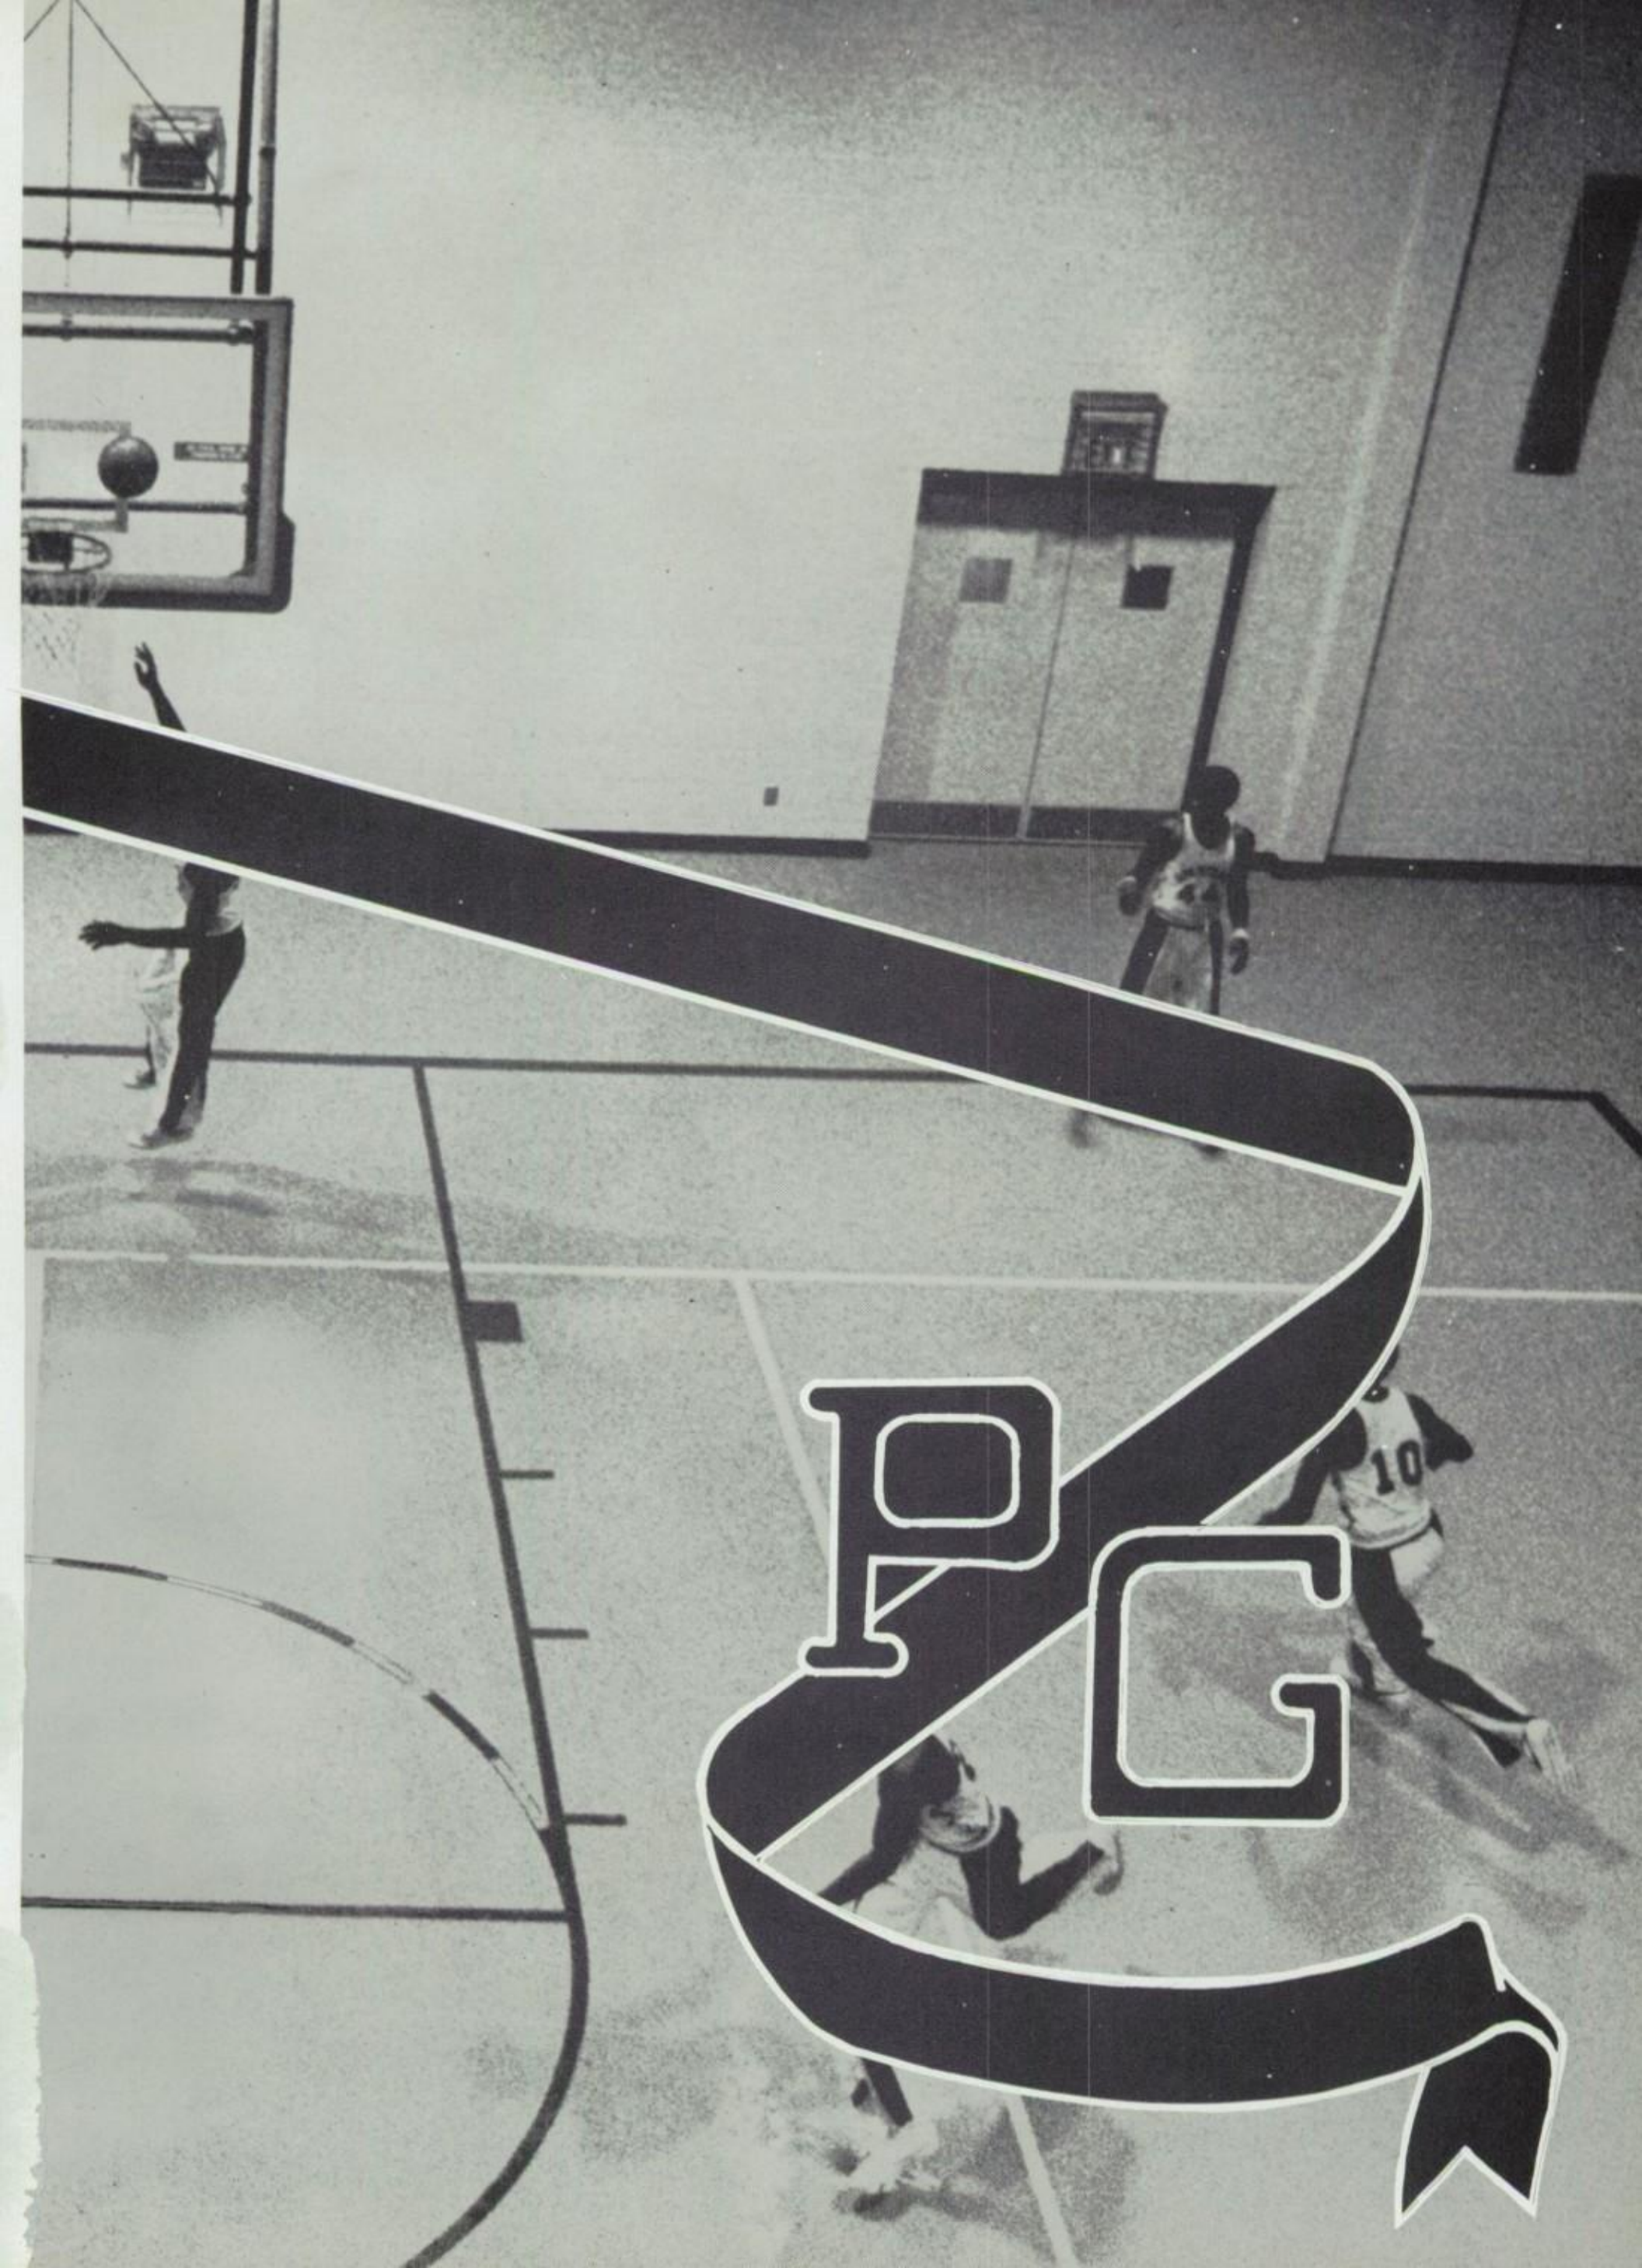

At P.G.S., we've got it all!

We're living and loving it,
We've got so much more.
We're full of pride and spirit,
We're better than before.
Some things we've had with us
Right from the very start.
The loving and the laughter
Have always been in our hearts.
But some of the things we've had to
learn
As we've walked down these halls.
The very most important thing is —
At P.G.S. we've got it all!

Kneeling: Bobby Lee, Jimmy Deadwyler, Eric Ware, Keith Parks, LaJ Sims, Stuart White, Darryl Donaldson, Gary Ray. Standing: Coach Donnie Slaten, Stan Waldrop, Kenny B. Aldridge, Ricky Penny, Jeff Thomas, Scott Livingston, Brady McLaughlin, Jeff Shannon, Coach Andy Smith.

To be a successful baseball player you must have the necessary skills that are required by the game. Speed, agility, and having a "good arm" are very important, but talent by itself is worthless. One of the main characteristics you must possess is having a love for the sport. If you don't care for the game, then you will never be happy, and therefore will be unsuccessful.

A positive attitude combined with determination to do your best is essential in being a success at playing baseball. Having a good attitude will help you relax in tense situations which will enable you to play better. Determination makes you do your best. With this determination comes a "peace of mind" in knowing that you gave it "your best shot," no matter, what the outcome.

Combine talent, a good attitude, and determination to do your best, and you will find a successful baseball player. If you possess these three qualities you will more often than not taste the thrill of victory instead of the agony of defeat.

Spirit of Winning

To win you must first complete the task of agonizing, energy-sapping, strenuous work-outs. Once you have completed these work-outs you must put to work the skills you have developed, the physical skills and the mental skills as well. Then comes the big event, the time when it all pays off. The hard work that you have put on shows forth in the accomplishment. You see the result of your agonizing, energy-sapping work-out. That's what the thrill of victory is all about.

The coaches and players of the 1980 Varsity football team put in long, hard hours of practice this year. They spent many hours in the scorching sun practicing their plays and strategy. Both the players and coaches are to be commended for their hard work. This team achieved something this year that hasn't been done in the history of P.G. football, that was a 7-0 victory over the Fairfield Tigers. This year the Spartan team had a total of 3 region wins.

1980-81 Varsity Cheerleaders

The Varsity cheerleaders attended clinic last summer at Ole Miss. The cheerleaders did very well. They received 10 blue ribbons, 2 gold ribbons, and three spirit sticks. Due to their great show of spirit they were presented a spirit stick to carry home. They received a superior rating for being among the top five squads at clinic. This year they were asked to attend the regional competition at Memphis, Tennessee. This is competition among all the top squads in the southern states. They came in sixth place out of their group. Congratulations, Varsity Cheerleaders; we appreciate your hard work!

The Sports Department at Pleasant Grove High gets better every year. In all areas of sports we have improved. The Varsity Gymnastics Team won 5 of 7 meets. They finished 4th in the County meet. Bari Lawson won the 1st place all-around medal with the highest total score in the meet. The Varsity Wrestling Team won 6 out of 10 meets. Many wrestlers did extremely well throughout the season and also at sectionals. Each of the following wrestlers placed in their weight class: Courtney Tyner, 4th place; Eugene Paul, 3rd place; Timmy Paul, 2nd place; Jimmy Parks, 4th place; Buddy Earley, 3rd place; LaJ Sims, 1st place; and Lamar Pittman, 3rd place. We are glad to see our sports up and coming, especially those such as wrestling and gymnastics.

Coach Smith and Coach Slaten help an injured player.

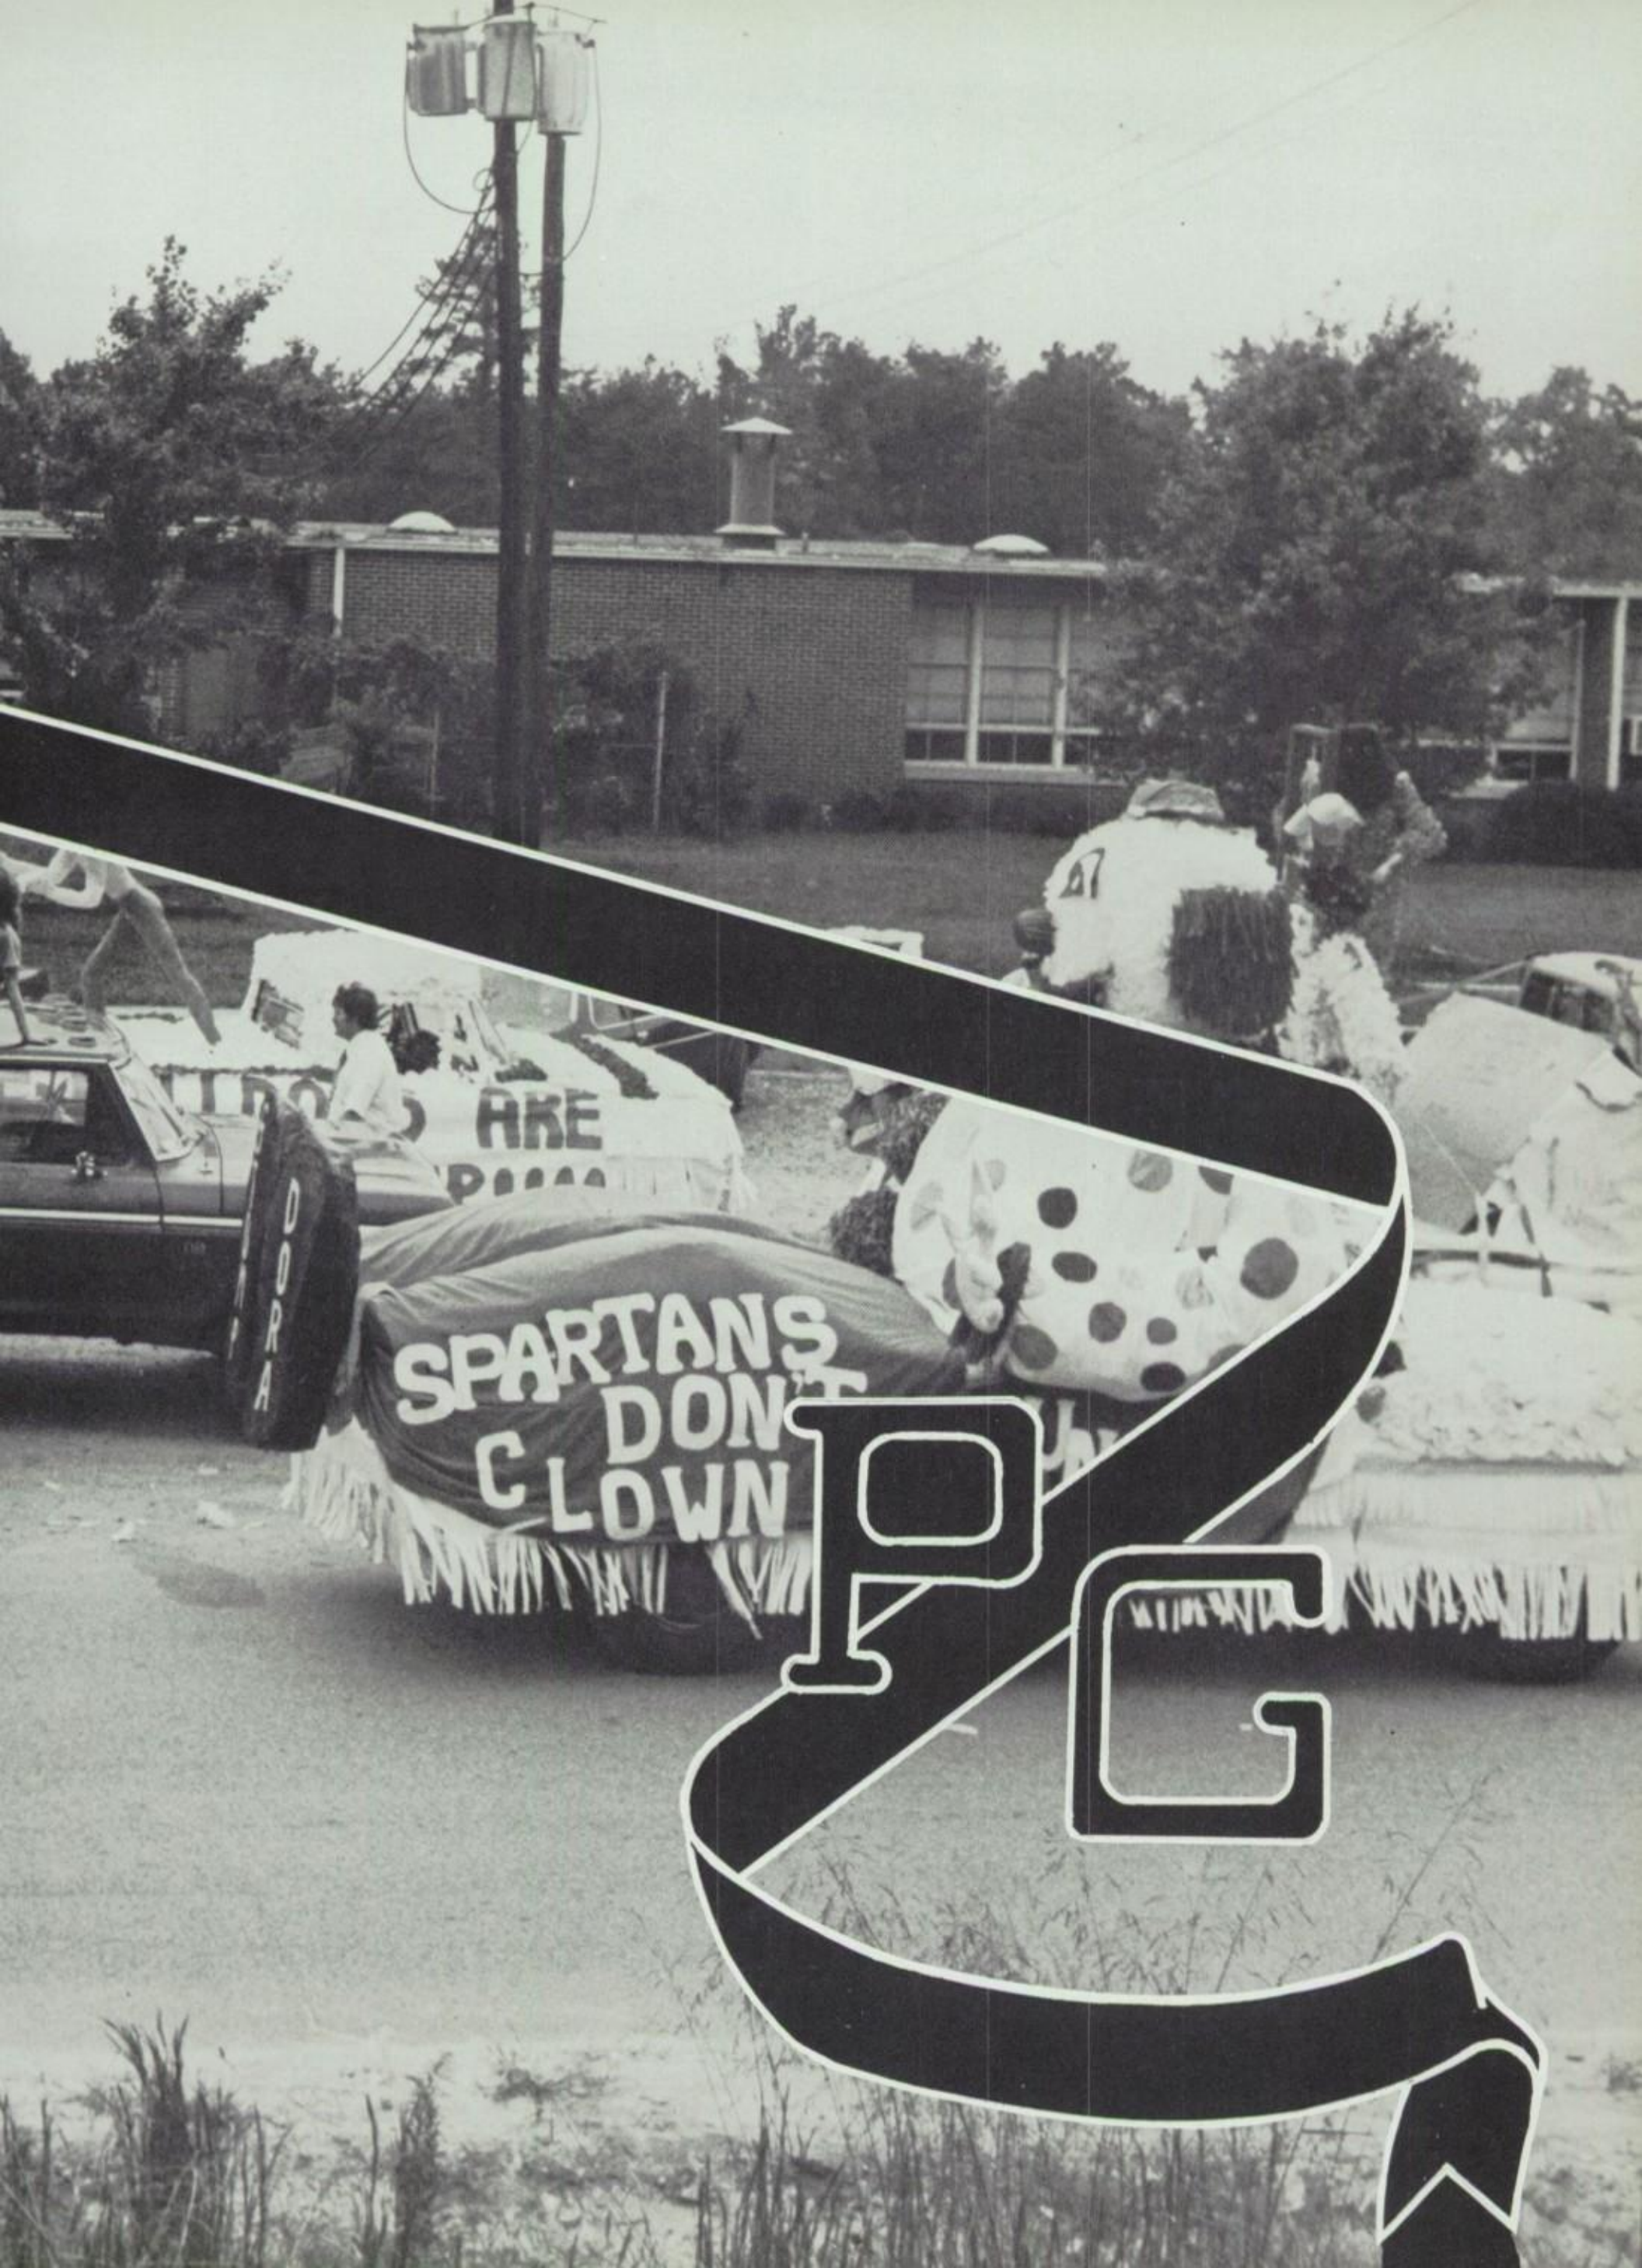

Coach Pridmore carefully supervises his students.

Coach (n) 1: one who instructs or trains a team of performers. (v) 2: to instruct, direct, or prompt as a coach. If we apply this definition to the coaches at P.G.H.S, we would see that it certainly does fit. There are, however, a few words left out of the definition that also apply . . . love, dedication, and pride. They lead not only their performers, but also those students that are around them, into the best they can be. At P.G.H.S. we are blessed with teachers such as these.

1980-81 Spartan Band

Band Director: Mr. Chris Culpepper.

The position of a band leader is one of leadership and responsibility. A person should be well disciplined in order to lead his/her fellow band members. This job is very demanding, but can also be very rewarding.

As in any situation where you do your best, when the work is complete and your efforts are recognized, it makes it all worthwhile. All the hot, sweaty, exhausting days of band camp and early morning rehearsals are forgotten when you finish your first half time show and hear the cheers and applause of a well-pleased audience.

What can I say?

The band performs at the School Christmas program.

This year the Pleasant Grove High School Band is receiving many outstanding awards. The band received an Excellent rating at the Mid-Alabama Marching Festival in Midfield, Alabama. The Marching Band also was rated Superior at the Central Alabama Marching Festival. The Marching Band completed this season by being awarded the County Commissioner's Trophy at the 1980 Birmingham-Jefferson County Veteran's Day Parade. The Concert Band is performing at District Band Contest in a bid to a State Contest recommendation. In an effort to improve individual skills, students are participating in State Solo and Ensemble competition and All-State Band auditions.

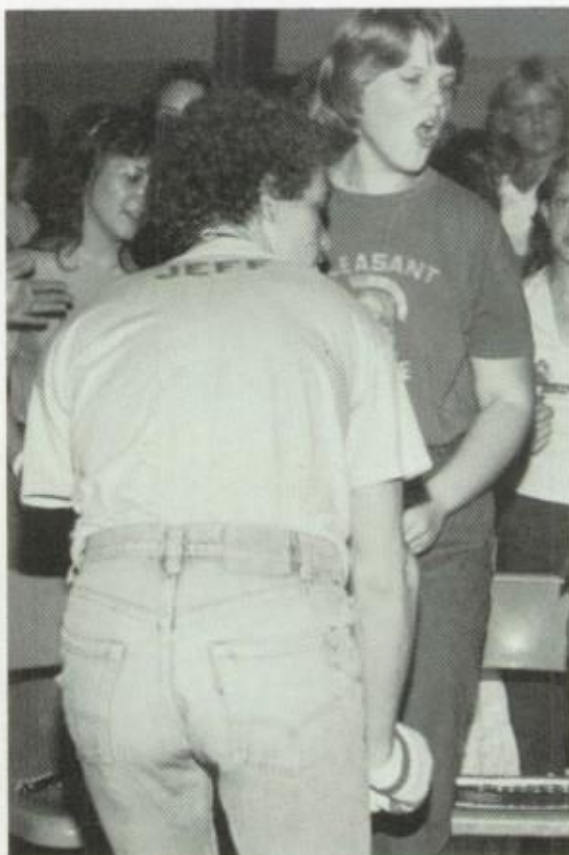

Drum Major Jeff Gallups

The qualifications for Drum Major are an average of an A for band and an average of a C in Academics, to show outstanding ability in leadership and musicianship, and be a member of the marching band.

We at Pleasant Grove High School can be proud of our Drum Major. He attended the Heart of Dixie Drum Major Camp at B'ham-Southern College. He received third place in overall camp competition. He also received an Excellent rating at the Midfield Band Festival and at Thompson Band Festival. Thank you, Jeff, for all your hard work.

They melt in your mouth but not on your hands.

Boogie, Boogie, Boogie!

1980 Majorettes

From L. to R.: Pam Parkin, Sherri Benson, Sylvia Crow, Jenny Jones, Susan Snider.

A Majorette

Making everlasting memories to fall back on
Always doing our best and practicing to make it perfect
Joining together to keep each other going
Overlooking the little misunderstandings because we care
Remembering all the things we tried hard not to forget
Even when things get rough, we smile and keep it together
To give each other time and love to share special things
Taking time from a busy day, just to help each other
Enjoying, loving, giving, and being proud is all part of being a majorette.

1980-81 S.G.A. Officers: Mike Custred, President; Karen Mandy, Secretary; Jill Gilliam, Treasurer; Frank Messina, Vice-President.

Are we supposed to believe that?

Mike introduces the Homecoming Candidates.

S.G.A. members have a friendly chat.

S.G.A. members even work in the rain!

The Student Government Association works very hard to try to involve the students in various activities. The S.G.A. organizes the Homecoming activities each year and coordinates the Annual Spring Carnival. The money that was raised at the first spring carnival helped buy the sign in front of the school. The S.G.A. would also like to thank the P.T.A. for their help in purchasing the sign.

The S.G.A. officers are elected by the student body. Each class elects three senators to represent their class, and the senior class elects four senators.

Each year the S.G.A. places a suggestion box in the Library, enabling the students to make suggestions concerning improvements in the school.

The S.G.A. would like to see the students at P.G.H.S. more involved and working together to make Pleasant Grove High School the best school in the county.
